You

A company established in providing outsourced accounting and bookkeeping services to golf clubs. Working remotely using cloud-based systems, as well as onsite visits in Surrey and surrounding counties.

HOW IT WORKS

We'll sit down with you and talk through your business goals, then we'll draft a detailed outline of what you want and how we can help.

- 1 Listing All your Requirements:** we take a brief about the problems you are facing or the solution that you are looking for.
- 2 Drafting a Detailed Plan:** After discussions, our team will work on solutions in detail, suggesting if any area can be improved using technology. Meetings will continue until all the problems are sorted. After which formal papers will be presented for approval.
- 3 Launch and Track:** After approval, we launch the solution on a real-time basis. We will provide training to key staff and keep track of procedures, new issues, and continuous optimisation.
